

AQUAKLEEN

PORTABLE TOILET CLEANER/DEODORANT

DESCRIPTION:

A highly concentrated liquid deodorant cleaner specifically formulated for use in portable toilets. An effective biodegradable blend that mixes instantly with water to give a blue clear solution with an odour neutralizing action and a long lasting pleasant odour.

ADVANTAGES:

- VERSATILE -** Ideal for use in portable toilets at construction sites, public parks, buses, boats, trains, planes and recreational vehicles.
- CONCENTRATED -** 1 part of product can be diluted effectively with 200 parts of water.
- SAFE -** Safe to use on all surfaces. Will not soften or damage rubber or plastic components. Will not interfere with bacterial action in sewage treatment plants.
- BIODEGRADABLE -** All emulsifiers used in the product are completely biodegradable. Contains no formaldehyde.
- NON-STAINING -** A unique non-staining blend. Contains no pigments or dyes.

AQUAKLEEN

APPLICATION:

- (i) Dilute 1 ounce of **AQUAKLEEN** per gallon of water. Can be diluted with brine type antifreeze solution in wintertime.
- (ii) A pre-diluted solution can also be used to clean entire toilet facility.
