

PROSOL DX

READY-TO-USE SOLVENT CLEANER-DEGREASER

DESCRIPTION:

A general purpose, ready-to-use solvent cleaner-degreaser. Cleans automotive, diesel, marine, transport and heavy equipment engines parts as well as electrical housing and components.

BENEFITS:

SAFER	Contains no chlorinated hydrocarbons. Contains no aromatic hydrocarbons or suspected carcinogens. A pleasant alternative to the toxicity associated with regularly used hydrocarbons.
EFFECTIVE	TVL value ≥ 300 ppm 3-4 times the tolerable limit for air born mist when compared to regularly used hydrocarbons, such as mineral spirits.
READY-TO-USE	No mixing or solution preparation necessary.
PLEASANT ODOUR	PROSOL DX does not have any solvent odor. Does not defat/dry as readily and strongly as mineral spirits.

APPLICATIONS:

Apply by spraying or wiping, then let dry. Use to clean and degrease:

- Mechanical parts
- Automotive parts and tools
- Electrical motors housing and parts
- Pumps and valves
- Generators
- Etc.

PROSOL DX

SPECIFICATION:

APPEARANCE	CLEAR COLOURLESS LIQUID
ODOUR	ODORLESS
SPECIFIC GRAVITY	0.75-0.765
FLASH POINT	>54 °C
SHELF LIFE	1 YEAR MINIMUM
% AROMATIC HYDROCARBONS	NIL
% CHLORINATED HYDROCARBONS	NIL

SAFETY MEASURES:

Keep away from source of heat or open flame.
Harmful if swallowed.
